LEPINE**

**Gains 80 lbs.
OF
SOLID MUSCLE**

BEFORE

BEFORE mailing the coupon — 100 pounds of skin and bones! What a rundown wreck! He had 10-inch pipe-stem arms — a flat 34 inch chest. Truly a pathetic case of weakness before he mailed me this coupon!

AFTER

AFTER Weider Training! What a Change! What a Build! 180 pounds — a mountain of mighty muscles, loaded with Herculean 17-inch arms, magnificent 48-inch chest and shoulders a yard wide! Another dream come true!

The world's best built men are your instructors! They show you the exercises that will build your arms, chest, shoulders and waist, twice as fast as you ever thought possible!

CLARENCE ROSS

Tells you how he built his muscles
The Weider Way.

REG LEWIS
"Mr. Universe"
Tells you how he built his giant strength and power.

DOUG STROHL
"World's Best Built Man"

LEO ROBERT

JUST 15 MINUTES TO THAT RUGGED, DYNAMIC, HE-MAN BUILD YOU ALWAYS WANTED!

Give me 15 minutes right in the privacy of your own home and I will prove to you that in half the time and with twice the ease, in just a few minutes daily, I will, through my TRIPLE-PROGRESSION COURSE, slap inches of steel muscles to your pipe stem arms, pack your chest with power and size, give you life-guard shoulders, dynamic, speedy athletic legs — add jet-charged strength to every muscle in your body. I don't care if you're short or tall, skinny or fat, office-worker, laborer, school-boy, or businessman, I must make a new virile he-man out of you, and also help you build "inner strength" that will give you the virile look that women admire and men envy. What I did for Andre Lepine, Jack Delinger, Ray Schaffer and other "Mr. America" winners — and thousands of weaklings — I can do for you! Yes, I can turn you into a Real He-Man

THE \$10,000 CHALLENGE

only Joe Weider dares to make!
I guarantee to show you how to add twice as much muscle — triple your power — gain more weight twice as fast through my system of training than you could through any other method, and in HALF THE TIME! THE SUPERFIGHTERS

CAPTAIN DAN BURTON SAW THEM TWICE--THEY FLASHED DOWN THROUGH THE CLOUDS GOING MORE THAN SIX HUNDRED MILES AN HOUR! THEIR NOSE CANNONS WINKED BRIEFLY--AND THE PLANES CAPTAIN BURTON WAS ESCORTING WENT DOWN!

THE POOR GUYS DIDN'T EVEN SEE THE PLANE THAT SHOT THEM DOWN! HE'S BELOW ME--I'LL GET HIM THIS TIME!

THE ME-262, A TWIN-JET MESSERSCHMITT, WASN'T DOWN BELOW...HE WAS CLIMBING STRAIGHT UP--HIS CANNON HAMMERING A FATAL SONG!

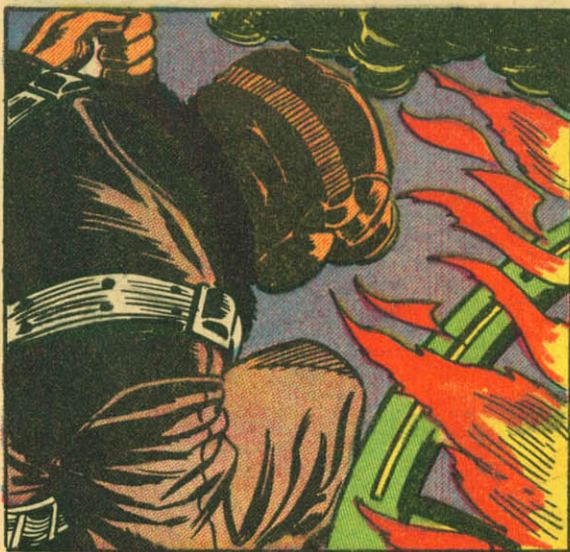

U.S. AIR FORCE

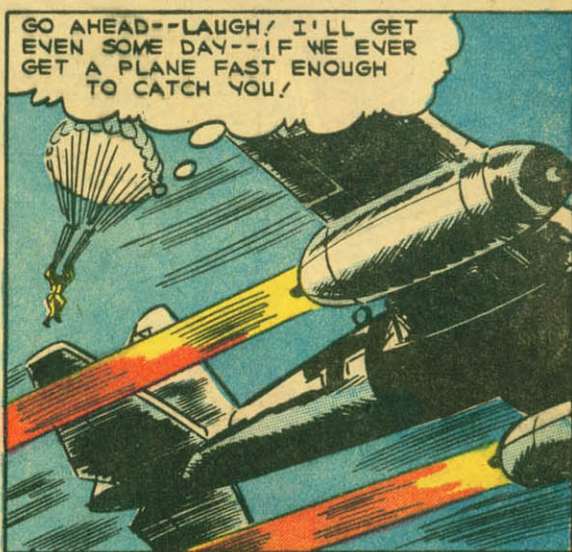

CAPTAIN BURTON JOCKEYED HIS MUSTANG TO GET IN A BURST... BUT THE NAZI ACE WAS ALREADY FIRING!

RAT-TA-TA-TAT!

WHAM

GO AHEAD--LAUGH! I'LL GET EVEN SOME DAY--IF WE EVER GET A PLANE FAST ENOUGH TO CATCH YOU!

CAPTAIN BURTON PARACHUTED INTO FRIENDLY HANDS IN NORTHERN ITALY! HE WAS DRIVEN TO HIS FIELD AT ONCE... AND THE AIR INTELLIGENCE INTERROGATORS!

SIR, THE ENEMY PLANE WAS GOING AT LEAST ONE HUNDRED AND FIFTY MILES AN HOUR FASTER THAN MY P-51!

I REPEAT,

THE ENEMY PLANE WAS

THIS IS THE SECOND TIME CAPTAIN BURTON HAS REPORTED SEEING AN ENEMY SUPER-PLANE!

LET THE AIR SURGEON LOOK HIM OVER, COLONEL! PERHAPS A LONG REST WILL BE BENEFICIAL!

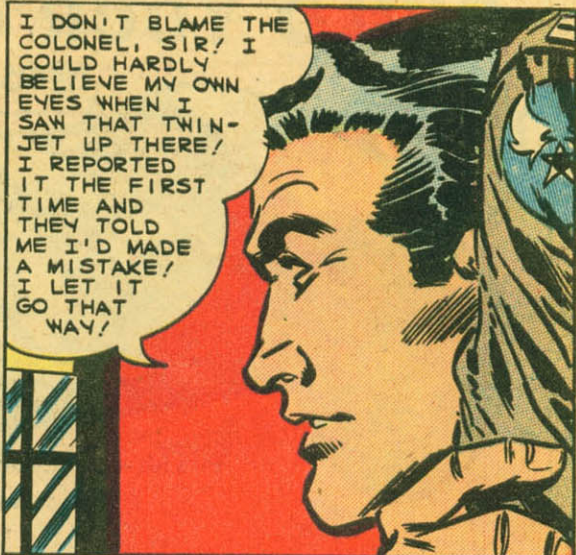

U.S. AIR FORCE

THE AIR SURGEON TESTED CAPTAIN BURTON--HE FOUND THE AIR FORCE ACE NORMAL IN EVERY WAY!

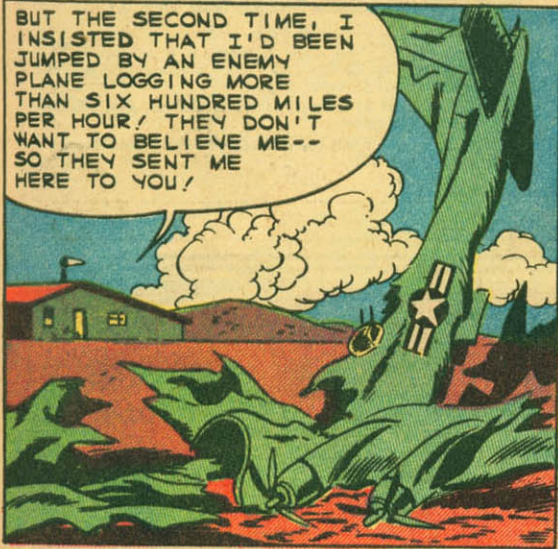

YOU SEEM ALL RIGHT, CAPTAIN! WHY DID THEY SEND YOU TO ME?

I DON'T BLAME THE COLONEL, SIR! I COULD HARDLY BELIEVE MY OWN EYES WHEN I SAW THAT TWIN-JET UP THERE! I REPORTED IT THE FIRST TIME AND THEY TOLD ME I'D MADE A MISTAKE! I LET IT GO THAT WAY!

BUT THE SECOND TIME, I INSISTED THAT I'D BEEN JUMPED BY AN ENEMY PLANE LOGGING MORE THAN SIX HUNDRED MILES PER HOUR! THEY DON'T WANT TO BELIEVE ME--SO THEY SENT ME HERE TO YOU!

CAPTAIN BURTON CONVINCED THE AIR SURGEON--AND HE WAS CERTIFIED FOR FIT FOR DUTY ONCE MORE!

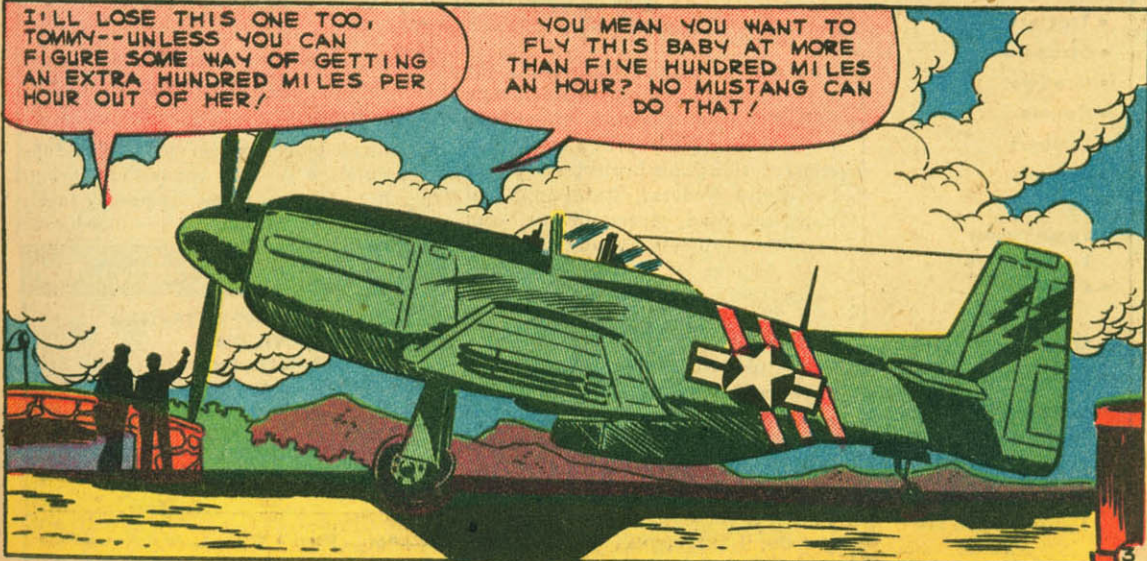

WE HEARD THE NEWS, SIR! I GOT A NEW SHIP FOR YOU--SHE LOOKS GOOD!

THANKS, TOMMY!

I'LL LOSE THIS ONE TOO, TOMMY--UNLESS YOU CAN FIGURE SOME WAY OF GETTING AN EXTRA HUNDRED MILES PER HOUR OUT OF HER!

YOU MEAN YOU WANT TO FLY THIS BABY AT MORE THAN FIVE HUNDRED MILES AN HOUR? NO MUSTANG CAN DO THAT!

I-X

"I need not repeat what I have said before," began General George K. Winderson to Captain Henry Darley. "But you must bear in mind that the safety and future of America depends upon you at this given moment. You certainly have been through a terrible ordeal. Somewhere deep down in your memory there must be a clue that would help us as to the identity of that island."

Everything you have told us and done has fitted into a clear picture. I am well aware of that obstacle in your mind: Namely, that it sounds impossible. So remove the obstacle is all that I can say. Yes, the story would ordinarily sound impossible. As though it were made up from sheer imagination.

But the fact that you had in your possession this atomic pistol changes everything. Can you visualize what would happen if the enemy were to drop a small group of desperate parachutists here? Armed with atomic pistols and rifles they could wreck havoc. But we do have this model you gave to us.

Already we have made a working set-up of it and thus could give the same dose of medicine to the enemy. It would be very helpful if we could find the island or what is left of it. Take it easy for this week. I shall let you know further orders.

Captain Henry Darley retired to the library room at the Headquarters of the General Staff. He wanted to check through certain old maps that had been provided for him. General Winderson went to the liason room where the members of his staff were waiting for him. Also present was Dr. Francine Perkins who had been summoned to Washington to help in this important matter. There was a large map hung

up on the wall. General Winderson pointed to it and spoke.

"I know that all of you, with the exception of Dr. Perkins are familiar with the problem. We shall provide her with a written transcript of all the data accumulated up to the present moment. However, I know you will all bear with me, if what I repeat briefly is so familiar to all of you. It is necessary that Dr. Perkins hears from me this information."

The charming young psychologist smiled at the older officers who were admiring the fact that here was a combination of beauty and brains. The General smiled, coughed for a second and then continued speaking.

"On this area we have a rectangle in red which encloses an area of about a thousand square miles. Within that area are countless numbers of small islands, barrier reefs and rocks that project upward as well as atolls. We are also considering the possibility that the 'Unknown Island' might have been a large floating station built in the form of an island.

"Captain Darley's jet plane went out of control. He didn't want to ditch it because it was one of our new experimental models. He lost contact with home base. Somewhere in the area bounded by the rectangle his plane began to burn. So finally he had to abandon it. He came down safely with his parachute and his one man rubber raft.

"Then after being at sea for two days he reached what looked like a very small island. It seemed clouded in some kind of a fog. I think we can reasonably assume this was an artificial fog produced by either a machine or chemicals to envelop the island and keep it

hidden. Captain Darley managed to conceal his presence. He heard bits of conversation and saw a lot of equipment which he described in detail to us.

"Then came his fight with the guard who spotted him. In the struggle that followed, Captain Darley managed to get the pistol away from the guard. Then he headed for his raft and started out to sea. When he was several miles away, the enemy started to go after him. Perhaps it was meant as a vain gesture of defiance.

"Captain Darley aimed that pistol at the general direction of the island and pulled the trigger. We all know what happened. It was a perfectly controlled reaction that took place. Either he wiped it out completely or damaged it thoroughly. We assume the enemy was completely bewildered by what happened. They probably assumed something went wrong with one of the machines or the atomic pile.

"We need some clue as to the specific location of 'Unknown Island.' We could send our experts to it and learn a lot more. From this point on, Dr. Perkins, it is up to you to see if you can fathom the clue that should be in Captain Darley's mind."

It was two days later that Captain Darley was introduced to Dr. Perkins. She came right to the point.

"We are to spend the next two weeks together," she informed him.

"That's a pleasure," he snapped right back. "We can play some tennis and go swimming together. I know some very nice eating places. What did I do to deserve this reward?"

"It happens to be an official order," she corrected him. "But I see no reason why everything should not be pleasant. It is very important that it be pleasant. My assignment is to get you to go back into your memory and find the clue as to the identity of the island.

There is nothing mysterious in what I am going to do. It is based on association and recall. A and B are linked together in an experience pattern. You know B consciously. Thus you are able to recall A from your memory. We will call the identity of that island I. It is linked with something which I hope is in your field of consciousness. If somehow we can get this factor, which we call X, then you should remember I."

"Well, at least I have a slogan," he laughed. "I-X."

"Not bad," she admitted. "So here's to I-X."

They spent the next day together playing tennis and then going for a ride. She explained one important factor to him.

"Do all the talking possible, and I will do all the listening. Talk about anything you wish. My task is to see if I can find the missing clue."

It was on the third day that they were on the

beach when he told her something about his boyhood.

"I wanted to go to West Point," he admitted. "But I never got even the recommendation. Then came the chance to be an air cadet. Uncle Sam must have paid a lot of money to educate me. I hope he's satisfied with the result. I went up the ranks and hope someday to be a Major.

Know something? On a Major's salary I figure I can support a wife and raise a family. But you can't just marry any girl even if you love her."

"Why?" demanded a puzzled psychologist.

"Because love is only half of the problem. You have to have the kind of a girl that makes a good army wife. She has to have two loves — you and America. She must be willing to share her husband with Uncle Sam."

"That's not a bad way of putting it," she sort of teased him. "I do hope you find your girl."

"And I hope you find that X in me," he countered.

They went swimming, boating, dancing and soon she found she was thinking about him in an entirely different light. And he was also starting to do some day dreaming. It was the last day of their two week "meeting" and they had been on a picnic together.

"I just can't see it end," he sort of pleaded. "There's so much I want to tell you."

"Please don't," she begged. "It has been wonderful, I admit."

"Think you can tell my heart to stop beating," he challenged her. "From the first day I met you I wanted to take you in my arms and kiss you. That's just what I am going to do right now and add to it that I want to marry you."

She didn't resist as his lips met hers. When he released her she cried a bit.

"Unhappy?" he wanted to know.

"Happy I have you," she said. "But unhappy I didn't find out the answer to that island."

He took a light clean handkerchief and started to wipe her eyes. Then there was a look of amazement on his face.

"One of your eyes is almost green and the other blue," he said softly. Then he shook his head as though he wanted to get something out of it. "That's the answer! Green and blue! They got supplies from a nearby island called Grinblau."

What happened as a result of I-X is still a top secret. But don't you worry. Our government handled everything perfectly. But there is no top secret about the captain, pardon me, now Major. He did get the perfect wife.

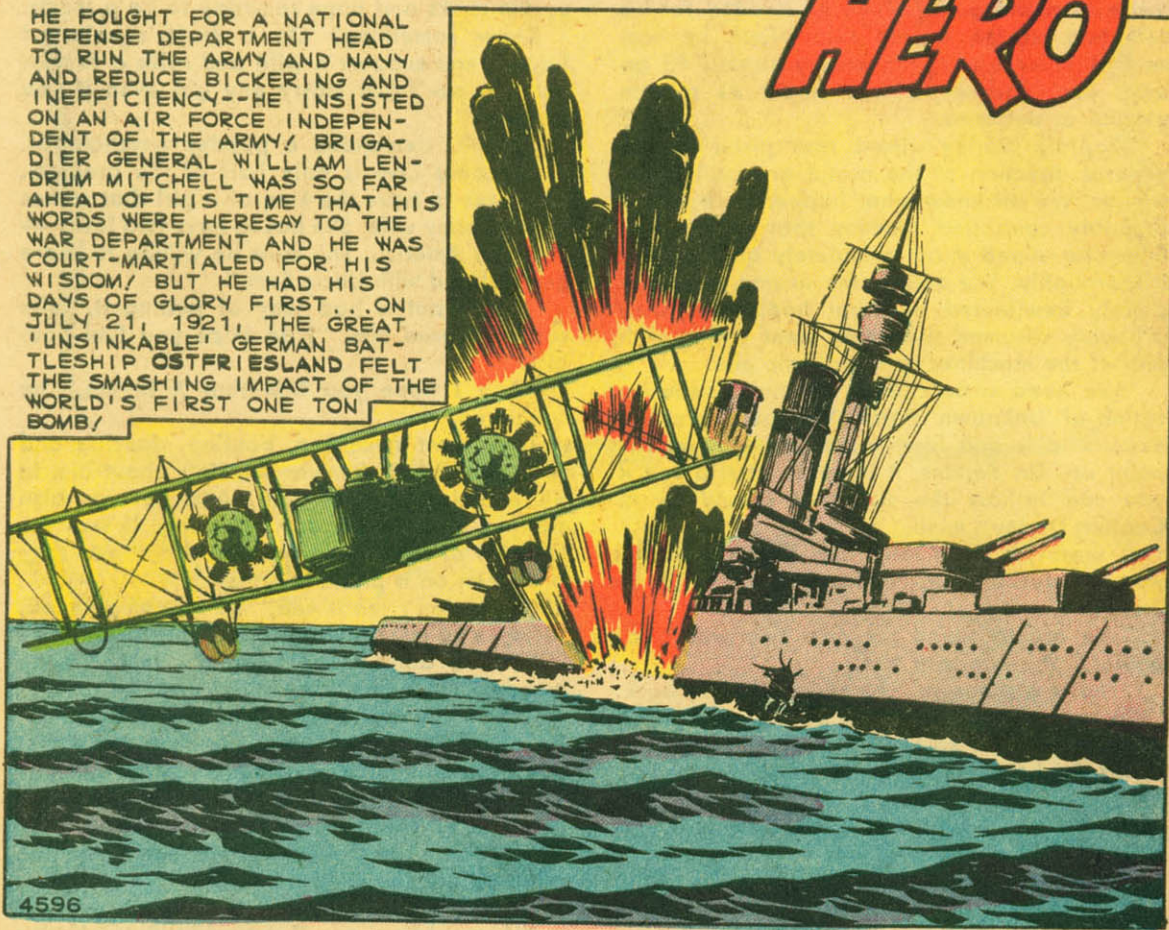

"Never figured I would be the army type — and I love it," she admitted. "All as a result of I-X."

U.S. AIR FORCE

GENERAL PERSHING'S ENTHUSIASTIC PRAISE OF BILLY MITCHELL AND HIS PILOTS DIDN'T CARRY MUCH WEIGHT AFTER THE WAR ENDED! BY 1920, OTHER ARMY GENERALS WERE SNIPING AT THE AIR CHIEF...

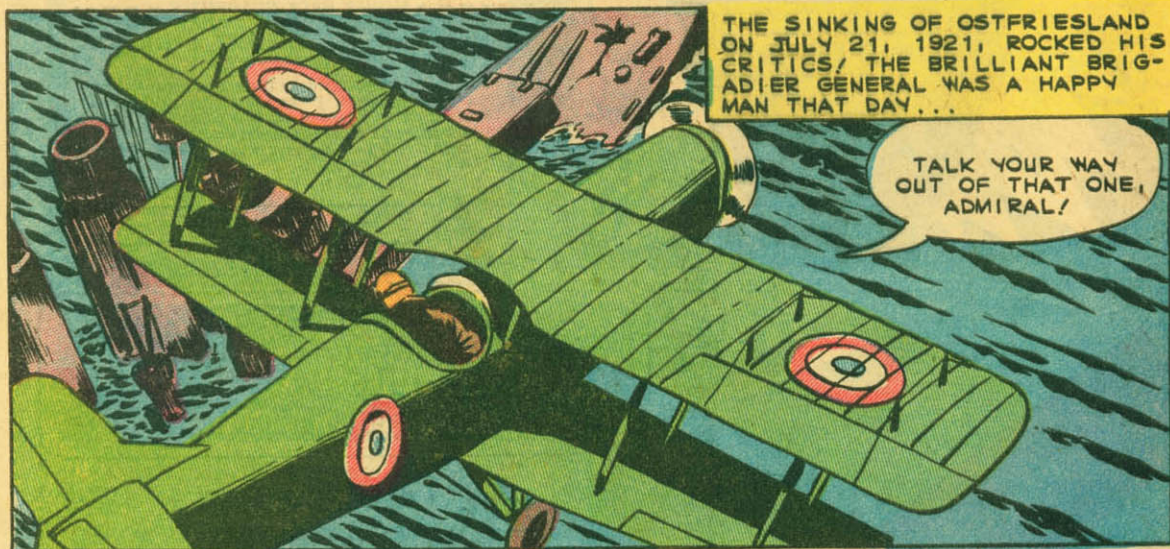

GENERAL MITCHELL IS GOING TO FAR WHEN HE SAYS HIS PLANES CAN SINK ANY SHIP THE NAVY'S GOT AFLOAT!

MITCHELL WILL BE CUT DOWN TO SIZE SOON!

THE BICKERING WENT ON--BILLY WAS FIGHTING FOR MORE PLANES, BETTER FIELDS AND EQUIPMENT--AND MEETING OPPOSITION EVERYWHERE!

THERE SHOULD BE A SEPARATE AIR FORCE! WE'LL HAVE IT SOME DAY!

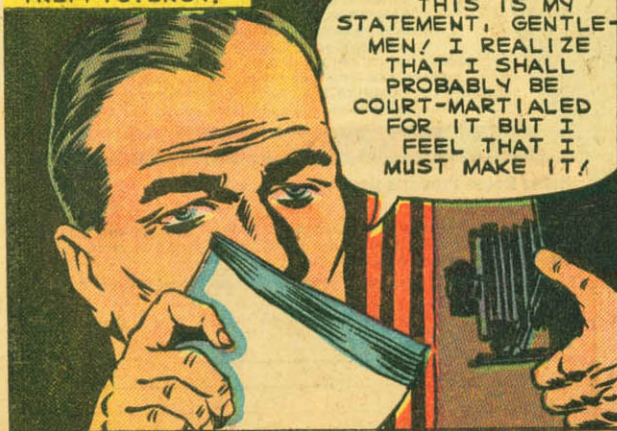

THE SINKING OF OSTFRIESLAND ON JULY 21, 1921, ROCKED HIS CRITICS! THE BRILLIANT BRIGADIER GENERAL WAS A HAPPY MAN THAT DAY...

TALK YOUR WAY OUT OF THAT ONE, ADMIRAL!

GENERAL MITCHELL SPOKE HIS MIND--IN A REPORT WRITTEN AFTER AN AIRSHIP, THE SHENANDOAH, HAD BROKEN UP IN A STORM, DENOUNCED THE NON-FLYING OFFICERS OF THE ARMY AND NAVY IN CHARGE FOR THEIR INEFFICIENCY!

THIS IS MY STATEMENT, GENTLEMEN! I REALIZE THAT I SHALL PROBABLY BE COURT-MARTIALED FOR IT BUT I FEEL THAT I MUST MAKE IT!

MITCHELL WAS COURT-MARTIALED--AND, IN HIS OWN DEFENSE, HE MADE PROPHECIES THAT WERE UNCANNILY ACCURATE!

THE JAPANESE IN THE PACIFIC ARE OUR GREATEST THREAT! THEY WILL ATTACK THE HAWAIIAN GROUP FIRST! THEN, THEY WILL ATTEMPT TO INVADGE THROUGH ALASKA! WE HAVE NO PLANS MADE TO STOP SUCH AN ATTACK NOW!

U.S. AIR FORCE

UNTIL WE HAVE AN AIR FORCE ADMINSTRATED BY MEN WHO KNOW FLYING, WE'LL HAVE INEFFICIENCY AND WASTE!

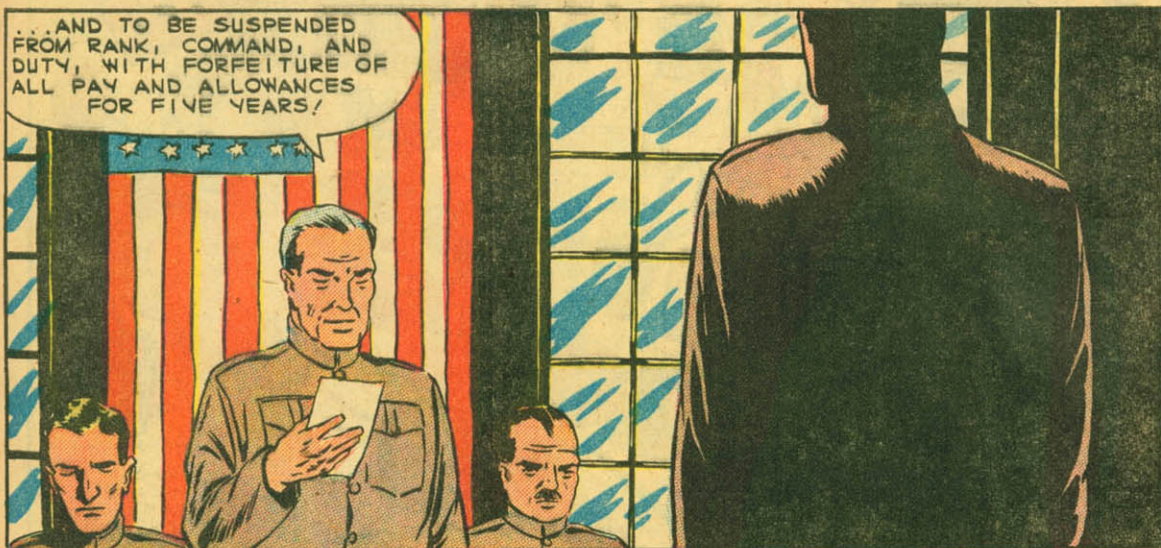

ALL EVIDENCE WAS IN FAVOR OF BILLY MITCHELL--THE COUNTRY WAS ROOTING FOR HIM! BUT HIS ARMY SUPERIORS WERE NOT...WITH THE EXCEPTION OF GENERAL DOUGLAS MAC ARTHUR, SITTING ON THE BOARD, WHO IS BELIEVED TO HAVE VOTED FOR MITCHELL!

THE VERDICT OF THIS COURT-MARTIAL BOARD IS...

...AND TO BE SUSPENDED FROM RANK, COMMAND, AND DUTY, WITH FORFEITURE OF ALL PAY AND ALLOWANCES FOR FIVE YEARS!

THE VERDICT WAS MODIFIED BY PRESIDENT COOLIDGE WHO ANNOUNCED THAT IT WOULD STAND EXCEPT THAT GENERAL MITCHELL WOULD BE ON HALF PAY--

YOU HAVE EVERYONE ON YOUR SIDE, GENERAL!

IT'S OVER-- I'LL CONTINUE WORKING FOR MY BELIEFS BUT NOT AS AN OFFICER IN THE UNITED STATES ARMY!

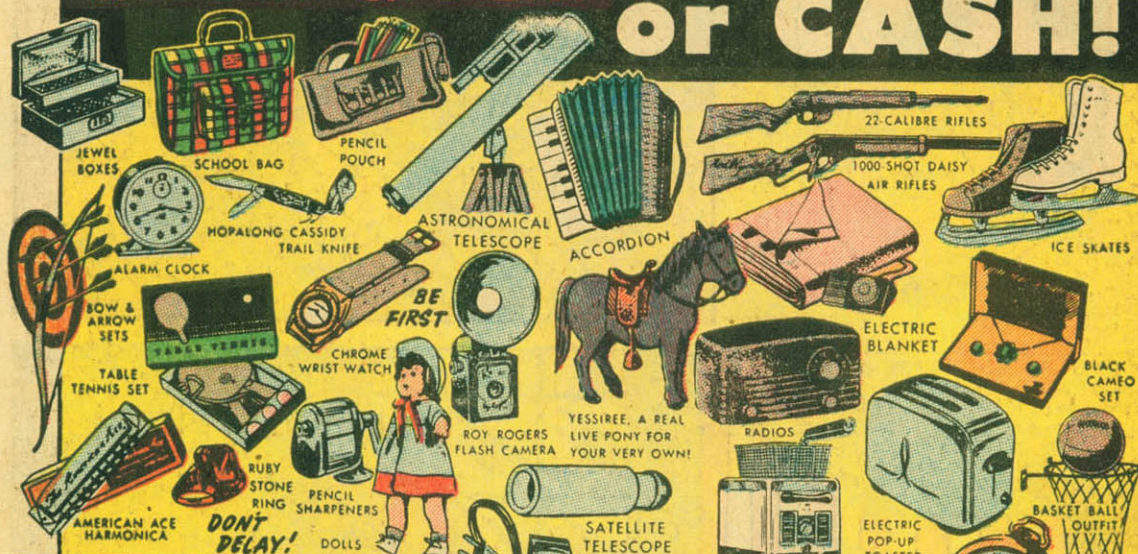

WILLIAM LENDRUM MITCHELL RESIGNED ON JANUARY 27, 1926, ENDING A BRILLIANT CAREER! THOUGH HE LOST THE BATTLE, HE WON THE WAR AND TODAY ALMOST ALL OF HIS IDEAS ARE A FACT! HE IS A HERO TO EVERY STUDENT OF AIR POWER... OUR AIR FORCE IS HIS MONUMENT!
